

Easy Bind

A high quality micro-snap fastener which provides a solid connection when pressed firmly together. Products bonds to itself.

Part N°: 85041 25mm x 3m roll

Features and Benefits

- Interlocking elements for fast re-closeable fastening – can be repositioned.
- No need for complicated binding methods.
- Single component with micro structured surface.
- UV resistant, weather-proof.
- Fast and easy to use.
- Saves time and reduces labour costs
- Conforms to FMVSS 302

Applications

The Easy-Bind single component fastener works on the principle of interlocking plastic elements.

They provide a solid connection when pressed firmly together and mounted back to back.

Easy-Bind can be connected as often as required in lengthwise or crosswise direction and can be re-opened anytime without causing damage to delicate cables.

Ideal for jobs such as cabling in the auto motive industry, industrial applications including IT cabling.

Instructions

1. Cut the require length of Easy-Bind.
2. Position the product where appropriate.
3. Ensure the two components are pressed firmly together.

Technical Information

Part number:	85041
Stock Code:	KEB
Product Packaging:	Boxed unit
Thickness:	1.5mm
Surface construction:	Micro-structured
Colour:	Black
Adhesive:	Polyurethane
